LET'S HEAR IT FOR **THE ONES WHO WON'T LET THE LOCKDOWN PULL THEM DOWN**

BEATING THE LOCKDOWN BLUES

Covid-19 has worsened existing inequalities for women. Their jobs are 1.8 times more vulnerable than that of men. The crisis has also led to a disproportionate increase in the time women spend on family responsibilities, by as much as 30%. India has also witnessed a sharp increase in domestic violence complaints during this period. All of these factors have put enormous strain on the mental health and well-being of women. Join the experts as they deliberate over these crucial topics at India's pre-eminent women's forum.
